Experience the care of Ayurveda

It's time to love your hair by providing proper care and protection by adopting healthy habits and natural products free from harsh chemicals. Ayurveda, the age-old science of life, has unique secrets to nurture your hair in the safest and the most effective natural ways. Use Muttikulangara Hair Oil and experience the real care of Ayurveda.

Muttikulangara Hair Oil

It is uniquely made with handpicked ayurvedic ingredients and fresh herbs in pure coconut oil. This specially formulated hair oil help treat various problems associated with scalp and hair. The goodness penetrates deep into the scalp and nourishes hair growth, naturally.

How to use:

Apply the hair oil well on the scalp half an hour before bathing and then wash off with shikakai powder or shampoo (once or twice in a week).
